NOTICE

Please be advised that the Prince Waikiki has several dates that the club will not be able to meet on Wednesdays in 2019. These include:

- January 09 February 06
- February 27 May 15
- June 05 July 03
- December 15

There was a discussion about Rotary on the Road or meeting in other venues during these dates, but to date no decisions were made.

President Steve Morgan called the meeting to order. He told us that this is the time for Human Trafficking Awareness. Also, today is the day in 2007, that Steve Jobs unveiled the first iPhone.

PP Dave Hamil lead the club in the pledge to the American flag.

President Steve asked for guests to be introduced. **PP Dave Livingston** introduced his brother-in-law Tony Grillo. **PP Dave** told us that Tony is the true photographer. **Christian** and **Bonnie** from the LaJolla Rotary Club were introduced. They said they were looking forward to seeing **Carl Lower** who used to be in their club, but they have learned that **Carl** is in San Diego! **President Steve** tried to start the song with the club...but was not too successful. After the song, **PDG/P Phil Sammer** told us that the song was terrible.

Announcements:

1. **PP Sally Blanchard** shared that is time to select a high school student to receive the Hawaii Rotary Youth Foundation scholarship. Application guidelines have been sent to all public and private schools on all Hawaiian Island. **PDG/P Sully Sullivan** used to be President of the Waikiki Rotary Club. He was also a District Governor in 1978. That is when he started the Hawaii Rotary Youth Foundation scholarship program.
2. **Glenn Perry** thanked **PP Sally Blanchard** for serving as co-chair of the Foundation Committee. He said that so far we have collected \$9,397 for the Foundation this year. Our goal is \$14,000 so we still have a challenge. **Glenn** encouraged everyone to give what they can afford to give.
3. **PE Paul McGillicuddy** gave us a few dates to put on our calendars: February 23 for the Waikiki Elementary School

garage sale; March 2 and April 6 for work at Serenity Gardens.

4. **Adrian King** said that she just got word from **DG Win Schoneman** that there is an Anti-Slavery/Human Trafficking rally on January 28th from 10:00 a.m. – 1:00 p.m.
5. It was announced that **PP Roy Tanji** passed away in November. We have no information on services for him at this time.

PP Dave Livingston introduced our speaker: Patrick Brent. Patrick is an American businessman who has worked in entrepreneurial enterprises over the years. He is well known for his journalism and published works such as the stories he reported from Iraq, Afghanistan, and Africa while embedded with the U.S. Marine Corps.

Patrick started by telling us he was introducing us to a time machine to take us back to 1918, the end of WWI. She shared a video and then told us he was talking us to the future 2055. He shared a story. Stories are a way we show leadership.

When defining leadership, Patrick begins with “Respect.” When you are leading an organization, he feels it is important to know every job. That is what he has done throughout his career. Patrick remembers great leaders and mentors. He has learned that it is important to improve morale while you are leading. He believes you can learn even from bad bosses.

Calvin Coolidge shared that determination is an important ingredient for success. Patrick told us that Ray Kroc started the CA company McDonalds in 1954. He was successful because of his determination.

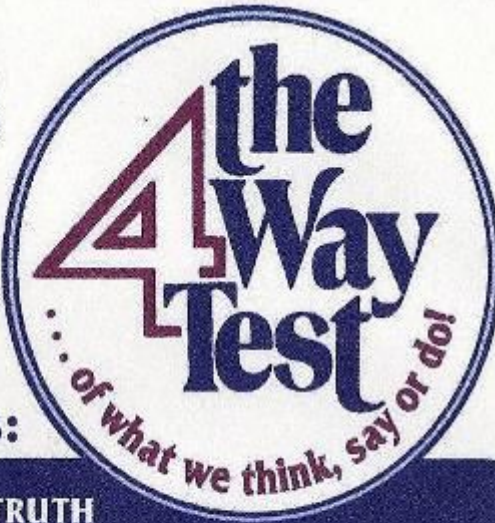

Upon reflection, Patrick said he learned leadership from the Marines and Drill Sergeants like **PP Dave Livingston**. Patrick told us that he was adopted

by a career Marine. Patrick then opened the conversation for questions.

1. His biggest surprise was when he found out he was going to be a father.
2. His biggest challenge was when he worked for Windjammer Hawaii.
- 3.

President Steve gave our speaker, Brook Tully a Four Way Test plaque. A picture was taken and the meeting was adjourned.

Respectfully submitted, **PP/PE Carol Riley**

Good decisions don't just happen.

Ask yourself these 4 questions:

1. Is it the **TRUTH**
2. Is it **FAIR** to All Concerned?
3. Will it build **GOODWILL** and Better friendships?
4. Will it be **BENEFICIAL** to All Concerned?

ROTARY DAY AT THE UNITED NATIONS HONORS OUTSTANDING ROTARIANS

Innovation was the theme at Rotary Day at the United Nations on 10 November. Nearly a thousand Rotary leaders, members, and guests from around the world met in Nairobi, Kenya, to

hear about creative solutions to challenging world problems.

The annual event, held at the only UN headquarters in Africa, recognizes Rotary's long-standing special relationship with the **United Nations**. UN officials and humanitarian experts inspired participants to find innovative strategies for addressing humanitarian needs both locally and globally Vw Slideshow

General sessions and workshops covered the UN Sustainable Development Goals, the technology revolution, and young people's role in creating change. A special session on the environment emphasized the importance of sustainable development and suggested concrete actions that people of all generations can take to build a clean and healthy future.

For the first time, the event also featured an Innovation Fair where Rotary clubs, businesses, and other organizations exhibited projects and cutting-edge technology designed to address humanitarian challenges.

Keynote speakers included RI President Barry Rassin, who is a member of the Rotary Club of East Nassau, New Providence, Bahamas, and Sushil Kumar Gupta, Rotary International president-nominee and a member of the Rotary Club of Delhi Midwest, Delhi, India.

Rassin said the Innovation Fair inspired him to pair Rotary's older generations' resources and experience with the energy and ideas of young people.
