Dear

Aloha!

Please join us in supporting the good work of Rotary! On October 23, the Rotary Club of Waikiki will present our annual event - the Waikiki Rotary Extravaganza - at the Prince Waikiki. As Hawaii resumes in-person activities, we are thrilled to host an exciting evening to benefit the work of Waikiki Rotary.

After taking last year off, we are commemorating our excitement with a name change - what was formerly called the International Food Festival is now the Waikiki Rotary Extravaganza!

We are writing to ask you to donate an item for our Silent Auction held as part of the Extravaganza. Proceeds from the Extravaganza are used to support Rotary-sponsored local and international community service projects from a water sanitation project in Southwest Asia to dozens of service projects right here in the heart of our community. A few recent program beneficiaries are: Diamond Head & Waikiki Clean Up projects~ Rotary Youth Leadership Awards ~ IHS ~ and more.

The silent auction and prize drawing items are the most important sources of income generated at our event and we request your consideration and generosity through donation of an item or gift certificate for this worthwhile cause. Your gift will be gratefully acknowledged at the Rotary Club's weekly meetings, in our club bulletin and printed event program.

Over 250 of Hawaii's business and community leaders attend this event so please consider joining us by purchasing a pair of seats or a table for this fun evening of great food and entertainment. You can mail a certificate or a letter indicating what your gift is or a member of Rotary will personally pick up your gift.

We sincerely appreciate your commitment towards improving the lives of our less-fortunate neighbors. You can feel confident that your gift will have a positive and lasting impact on our community. Be assured that your gift will have a positive and lasting impact on our community.

With aloha,

Nathan Graves
